

Main (Street) Attraction

A 50-gallery collection in Old Town Scottsdale showcases the work of more than 1,000 artists.

Whether you're a serious art collector or simply a casual browser, you won't want to miss The Galleries on Main Street in Old Town Scottsdale.

And with the work of more than 1,000 artists on display at 50 plus galleries, there's plenty to see — all conveniently located in a two-block area of downtown.

The internationally recognized Main Street has been home to some of America's premier galleries since 1965. Art collectors worldwide have made the area a source for original pieces of a myriad of genres. It's a place where emerging artists are discovered and established and renowned artists are regularly showcased.

Whatever you're looking for, you'll probably find it here, whether it's modern, abstract, Western, or impressionism; art from Russia, South America, Asia, Europe, or the U.S.; or sculpture, jewelry, or paintings. Art lovers of all kinds have always found an abundant selection

of exquisite originals at The Galleries on Main Street.

For more than 45 years, there's been an easy and fun way to take in all this art. Old Town Scottsdale's Main Street

hosts one of the Southwest's great cultural events, "America's Original Art Walk." This grand open house for the area's galleries takes place Thursdays from 7 p.m to 9 p.m. More than just an art aficionado's perfect evening, the Art Walk is also a cherished community tradition that brings together residents and visitors. Wander into galleries at your own leisurely pace; stroll around a delightful street lined with famed restaurants, live-music venues, and more; and enjoy the horse-drawn carriage rides and trolley rides that are often available.

It's "art appreciation" taken to a whole new level.
